شامبو السيارات

SHARP SHINE® CAR SHAMPOO

CONCENTRATED CLEANING FOAM WITH CARNAUBA WAX

Premium Concentrated Cleaning Foam for Superior Shine & Protection! Elevate your car care routine with SharpShine® Car Shampoo, a high-performance solution enriched with Carnauba Wax. This formula cleans deeply, protects your vehicle's paint, and leaves a brilliant glossy finish.

Deep Cleaning and Protection: Effectively removes dirt and grime while preserving the paint and adding a protective layer with Carnauba Wax.

Anti-Dust and Long-Lasting Shine: Reduces dust buildup and keeps the car clean with a glossy finish for longer.

Safe and Versatile Formula: PH-balanced and gentle for all finishes, ensuring effective care without damage.

SIZES:

500 ml, 5 litre, 20 litre

DILUTION:

1 - 400 L

DIRECTIONS FOR USE:

- Wash the car thoroughly with water to remove loose dirt.
- Dilute SharpShine® Car Shampoo with water in a 1:400 ratio for optimal performance.
- Apply the shampoo using a soft sponge or wash mitt in circular motions.
- Rinse thoroughly with clean water and wipe dry with a microfiber cloth to achieve a streak-free, glossy finish.

WARNINGS:

- Keep away from children.
- Avoid contact with eyes.

TIRE POLISHER

مع الإطارات

TIRE POLISHER

TIRE DIRT REMOVER & POLISHER

Give your tires the care they deserve with SharpShine® Tire Polisher, a high-performance formula designed to clean, protect, and enhance your tires' appearance.

Restores and Protects: Revitalizes tires with a deep, glossy finish, preventing cracking and premature wear.

Dust and Dirt Resistance: Advanced technology reduces dust buildup, keeping tires cleaner for longer.

UV and Moisture Shield: Protects tires from UV rays, dirt, and moisture for lasting durability

SIZES:

500 ml, 1 litre ,5 litre, 20 litre

DILUTION:

500 ml. Ready Diluted

1 litre ,5 litre .20 litre 1 - 3 L

DIRECTIONS FOR USE:

- The dilution ratio is adjusted according to the level of dirt and the desired shine intensity.
- Clean the tire surface thoroughly to remove loose dirt.
- Apply SharpShine® Tire Polisher with a microfiber cloth or applicator pad
- Spread evenly and allow it to dry for a glossy finish
- For extra shine, buff lightly with a soft cloth.

WARNINGS:

- Keep away from children.
- Avoid contact with eyes.

FOR MORE DETAILS:

SS-40

قاتل الصدأ

SS- 40 RUST KILLER

PREMIUM AEROSOL FORMULA FOR CLEANING, LUBRICATION, AND PROTECTION.

Change your maintenance routine with Sharp Shine® SS-40, a high-performance product designed to clean, protect, and restore metal surfaces and mechanisms. It removes wax, grease, and adhesives, stops squeaks, loosens stuck mechanisms, and expels moisture to prevent rust and corrosion.

Cleans & Protects: Dissolves grease, tar, crayon marks, adhesives, and hard water deposits. Leaves a protective film against rust and corrosion on bikes, prams, motorcycles, tools, and chrome parts.

Stops Squeaks: Lubricates hinges, castors, springs, taps, handles, pedals, and more, stopping squeaks and keeping things running smoothly.

Un-jams Sticky Mechanisms: Frees up door locks, zippers, sewing machines, typewriter keys, and other mechanisms from being stuck or jammed.

SIZES:

400ml

DILUTION:

Ready to use, no dilution required.

DIRECTIONS FOR USE:

- Shake well before use.
- Spray directly onto the surface or mechanism.
- Allow a few seconds for the product to penetrate.
- Wipe clean or operate the mechanism to ensure lubrication.

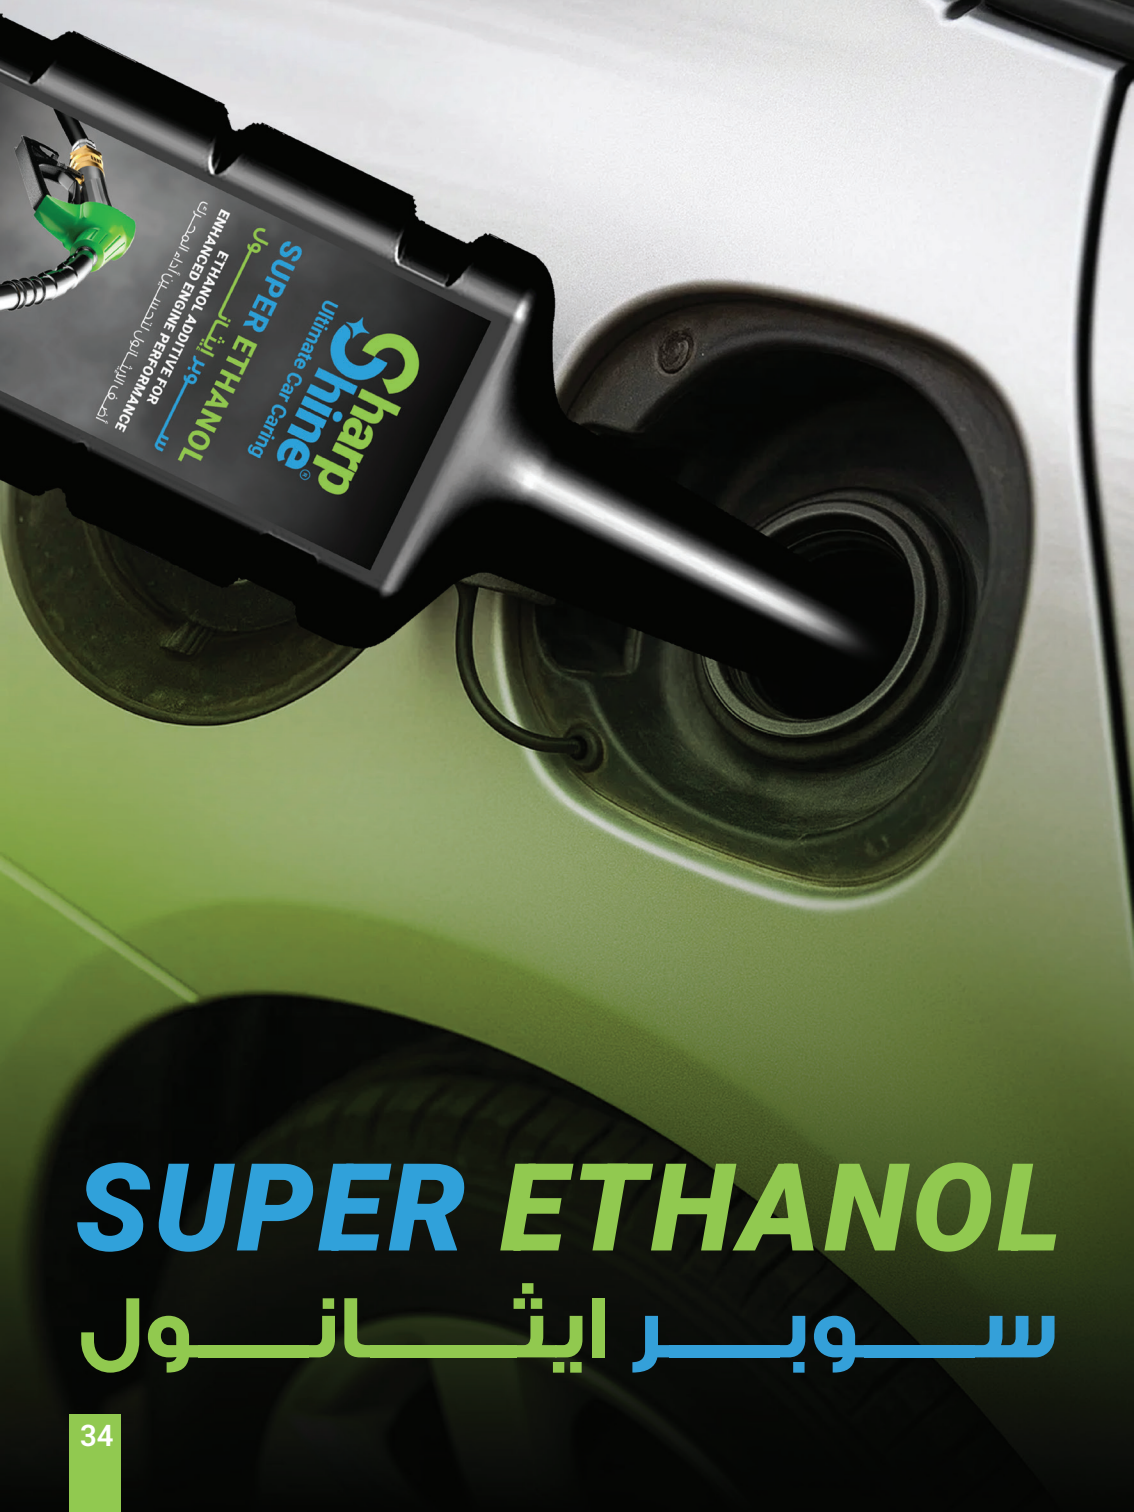

WARNINGS:

- Keep away from children.
- Avoid contact with eyes.

FOR MORE DETAILS:

SUPER ETHANOL

سوپر ایتانول

SUPER ETHANOL

ETHANOL ADDITIVE FOR ENHANCED ENGINE PERFORMANCE

Boost your car's performance with SharpShine® Super Ethanol, a high-quality ethanol additive designed to increase the octane rate and improve gasoline efficiency. This advanced formula ensures cleaner combustion, reduces carbon deposits, and maintains a clean exhaust system, helping you achieve optimal fuel economy and engine performance.

Increases Octane Rate: Enhances fuel combustion and engine performance.

Cleaner Combustion: Reduces carbon deposits for a clean exhaust system.

Improves Fuel Efficiency: Optimizes gasoline usage, reducing overall consumption.

SIZES:

1 litre ,5 litre

DILUTION:

- Ready to use, no dilution required.

DIRECTIONS FOR USE:

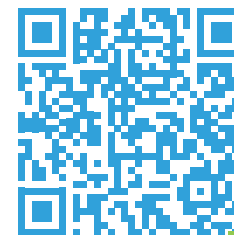

- For E10 Gasoline Tanks (5 Liter): Add ethanol at 10% of the tank's capacity
- For E5 Gasoline Tanks (1 Liter): Add ethanol at 5% of the tank's capacity.
- Refill the tank with gasoline and start the engine to mix thoroughly.

WARNINGS:

- Keep away from children.
- Avoid contact with eyes.

FOR MORE DETAILS:

BRAKE CLEANER

منظف فرامل

BRAKE CLEANER

SHARP SHINE BRAKE CLEANER

PREMIUM FORMULA FOR CLEAN AND EFFICIENT BRAKING

HS Code : 83122298202

Maintain your car's brake efficiency with Sharp Shine® Brake Cleaner, an advanced formula that removes grease, oils, and dust from brake components. It reduces brake pad and disc wear while preventing rust and corrosion. Its fast-drying formula allows immediate use without residue. Suitable for all brake components, avoid using it on decorative surfaces or plastic and rubber parts.

Removes Grease & Oil: Dissolves automotive greases, oils, and other contaminants, restoring components to peak performance.

Eliminates Brake Squeal & Clutch Slip: Effectively removes dust and contaminants, reducing brake noise and clutch issues.

Fast Drying: Highly volatile formula that dries quickly without leaving residues, so your components are ready to perform faster.

SIZES:

400ml

DILUTION:

- Ready to use, no dilution required.

APPLICATION METHOD DIRECTIONS FOR USE:

- Shake well before use.
- Spray directly onto brake components, including pads, discs, and rotors.
- Allow to dry naturally or wipe off excess residue with a clean cloth.

WARNINGS:

- Keep away from children.
- Avoid contact with eyes.

FOR MORE DETAILS:

CLEANJET

كَلِين جِيْت

SHARPSHINE® CLEANJET

CARBURETOR & FUEL INJECTOR CLEANER

Improve your car's performance with Sharp Shine® Clean Jet, a high-efficiency carburetor and fuel injector cleaner. It enhances fuel efficiency, restores engine power, and reduces harmful emissions. It removes deposits to improve acceleration and engine performance, extending engine life by protecting injectors and preventing corrosion.

WHERE TO USE:

Suitable for all gasoline engines with fuel injectors and carburetors, including cars, motorcycles, trucks, and boats.

WHERE NOT TO USE:

Not recommended for diesel engines or systems not designed for combustion-based fuel cleaning.

SIZES:

400ml

DILUTION

- Ready to use, no dilution required.

APPLICATION METHOD DIRECTIONS FOR USE:

- Ensure the fuel tank is at least half full before adding the cleaner.
- Pour the entire contents of the 400ml bottle into the fuel tank.
- Drive normally to allow the cleaner to circulate and dissolve deposits.
- For best results, use every 5,000 km (3,000 miles) or as recommended by your manufacturer.

WARNINGS:

- Keep away from children.
- Avoid contact with eyes.

Quality Control Certification

EAS is member of International Accreditation Forum (IAF)

ISO Certified:

Our manufacturing process is compliant with the for "Quality Management System (QMS)", ensuring consistent product quality, safety, and performance.

Besides, being compliant with the an internationally recognized standard for "Environmental Management Systems (EMS)", to provide a framework for Ocean Goods® to develop and implement an EMS to minimize their environmental impact and improve their environmental performance.

SABER Certified – Saudi Arabia:

SharpShine® products are fully registered and approved through conformity assessment system for imported and locally manufactured products, ensuring that we meet Saudi standards, Metrology, and Saudi Arabia Quality Organization (SASO) requirements for product safety and environmental compliance. These certifications are a testament to our commitment to delivering high-quality, safe, and reliable car care solutions to our customers in Egypt, Saudi Arabia and Globally.

ABOUT US

At **Sharp Shine®**, proudly formulated and manufactured by **Ocean Goods®**, we don't just make car care products — we craft high-performance chemical solutions built for results, reliability, and real-world impact.

From the first drop to the final rinse, every product that bears the Sharp Shine® name is the result of precise formulation, rigorous testing, and a deep understanding of the challenges faced by professionals in the automotive and industrial cleaning sectors.

With a dedicated production facility based in Egypt, we combine European-grade chemistry, advanced manufacturing standards, and local expertise to deliver uncompromising quality — every time. Our portfolio includes high-efficiency degreasers, rust removers, metal surface cleaners, and a full range of auto detailing chemicals tailored to meet the demands of workshops, showrooms, fleets, and industrial environments.

We don't believe in generic solutions. At **Sharp Shine®**, we design for performance.

Every formula is optimized for its function. Every product is consistent.

Welcome to **Sharp Shine®**: where chemistry meets craftsmanship.

OUR VISION

To become the global leader in auto care, setting new benchmarks for quality, sustainability, and customer satisfaction.

OUR MISSION

To redefine auto care standards with innovative, eco-friendly, and high-quality products that deliver outstanding results.

CORE VALUE

- ✓ Excellence: Delivering the highest quality.
- ✓ Innovation: Pioneering in auto care.
- ✓ Sustainability: Protecting the environment.
- ✓ Customer Focus: Prioritizing customer needs above all.

STORAGE CONDITIONS PRECAUTIONS

- Store in a cool, dry, and well-ventilated area.
- Keep away from heat, sparks, open flames, and direct sunlight.
- Keep container tightly closed when not in use.
- Do not mix or store near incompatible materials (e.g., acids, bases, oxidizers).
- Recommended storage temperature: 15–30°C (59–86°F).
- Keep away from ignition sources – No Smoking.
- Use original or approved chemical containers only.
- Ensure clear labeling and accessible Safety Data Sheet (SDS).

ULTRA METHANOL

ألترا ميثانول

ULTRA METHANOL

BOOST YOUR VEHICLE'S PERFORMANCE

PREMIUM-GRADE PRODUCT

designed to increase octane rating and enhance fuel performance. Its professional-grade formula reduces carbon deposits and keeps your injection and exhaust systems clean, delivering better fuel economy and smoother engine operation, even under the toughest conditions.

Increases Octane Rate: Enhances fuel combustion and engine performance.

Cleaner Combustion: Reduces carbon deposits for a clean exhaust system.

Improves Fuel Efficiency: Optimizes gasoline usage, reducing overall consumption.

SIZES:

1 litre ,5 litre

DILUTION:

- Ready to use, no dilution required.

DIRECTIONS FOR USE:

- Add methanol at a ratio of 10% of the fuel tank capacity (e.g., 5 liters for every 50 liters of gasoline).
- Fill the tank with gasoline and start the engine to ensure proper mixing of methanol.
- Can be used with E5 and E10 gasoline.

WARNINGS:

- Keep away from children.
- Avoid contact with eyes.
